COMPENDIUM OF WORSHIP CENTERS

INTRODUCTION

This exercise was embarked upon following the directive of the General Manager that all worship center's must be compiled to be presented in PowerPoint on 19th September, 2022.

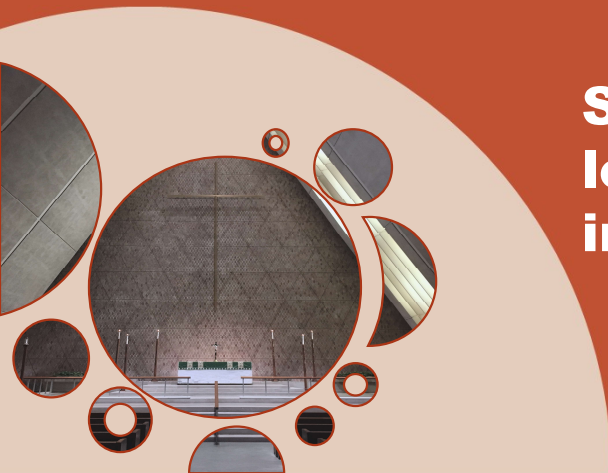

METHODOLOGY

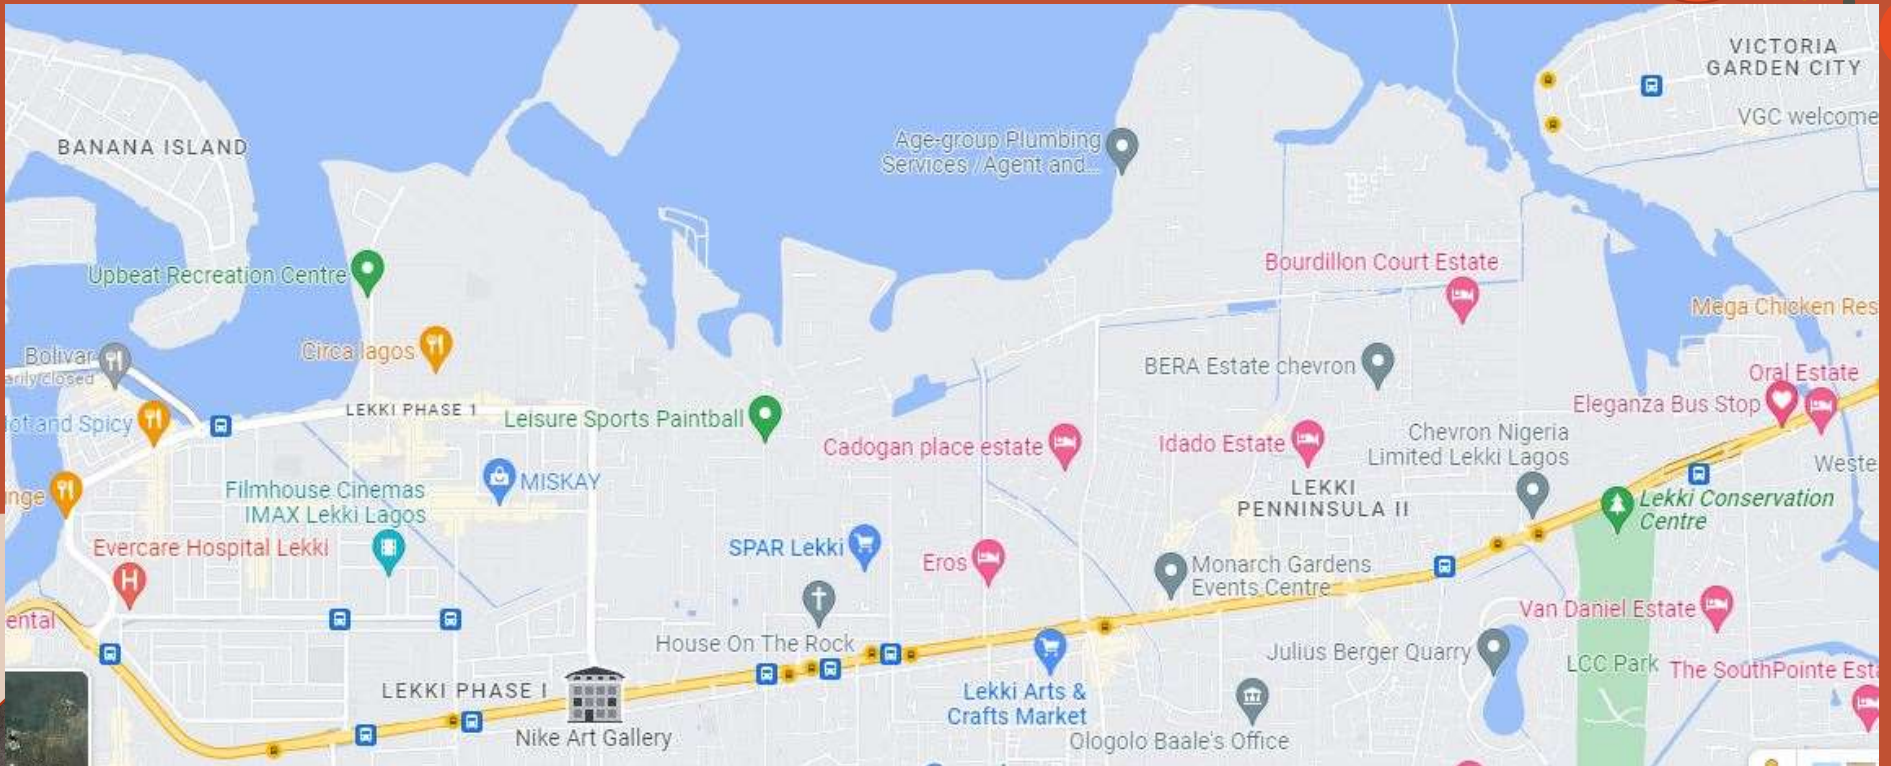

In order to make the work easy a search was made for churches and mosques on goggle map and a lot of them were identified.

In all, about Sixty (60) worship center's (churches and mosques) were identified with their address.

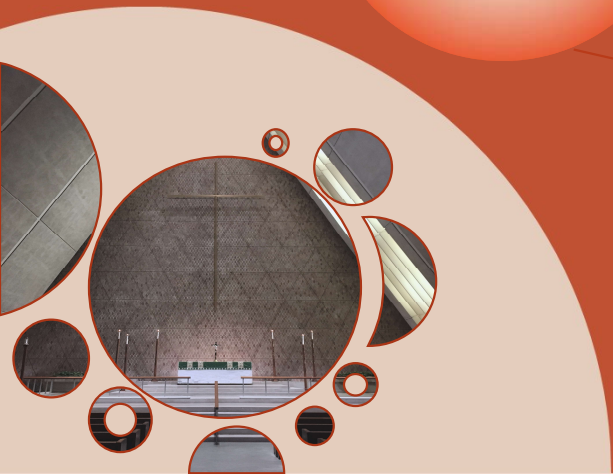

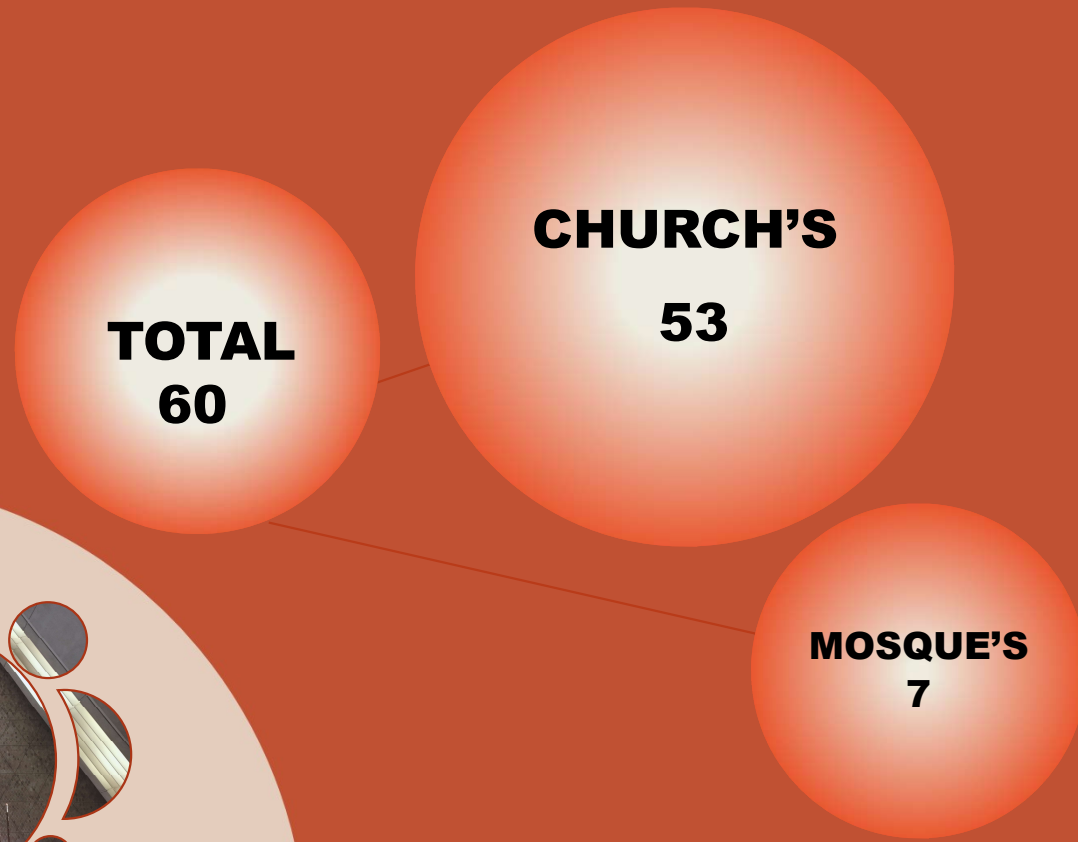

So, two (2) days was set aside to visit the location and take note of all necessary information required.
