**LAGOS STATE BUILDING CONTROL  
AGENCY**

**Iba/Oto-Awori Districts**

# Introduction

The coverage area of IBA / OTO-AWORI districts of Lagos State Building Control Agency is among the operating districts of LASBCA under the Badagry Division. The district shares boundary with Ojo district on the far East and shares boundary with Ikotun-Igando district at the North end towards Iba- Igando link bridge. The district also shares boundary on the West with Badagry district at Ijanikin area while it shares boundary at the South with Ojo and the Atlantic Ocean.

The Iba/Oto Aware Districts is headed by Engr. (Mrs) Y.F Aderibigbe who is ably supported by a team of professionals from all fields of the construction industry. The team consists of Arc. Omotayo Ibrahim (Senior Architect), Engr. Adebayo Oluwafemi (Senior Engineer), Balogun Olamilekan (Senior Architect), Engr. Omolere Olusola (Senior Engineer), Adetipe Olumide (S.T.O Mech. Engr.)

# Geographical location of the Subject area (Iba/Oto-Aware) within Ojo L.G.A

**LAGOS STATE BUILDING CONTROL AGENCY**

**Iba/Oto-Aware Districts**

# Challenges and Limitations

**Some of the challenges encountered during the course of these exercise include:**

- **Most of the churches and mosques were closed as at the time of site visits.**
- **No representative was available in most churches and mosques to attend to us.**
- **Some areas are completely inaccessible to LASBCA Staff. (Military Quarters).**
- **According to Lagos State Physical Planning Permit Authority (LASPPPA), some areas are not approvable. (Military acquisitions, Ijebiti Scheme e.t.c)**
- **Short time frame for the exercise .**

# Conclusion & Recommendations

***This exercise has enabled the agency to have a comprehensive record of religious centres in Iba & Ofo-Awori districts and their physical and structural status as well as their development permit status.***

***This exercise is recommended to be a continuous process as more places of worship are expected to spring up.***
