## 4.0 INTRODUCTION

The Kosofe District Team embarked on an exercise of enumeration of Churches and mosques in the District, as directed by the General Manager LASBCA.

This is to highlight their Names, Locations, Descriptions, Structural stability status, and the Physical Planning Permit status of these structures.

In the course of this exercise, we were informed by a few representatives of some of these Churches and Mosques to have Permits while the majority could not ascertain.

Pictures and aerial videos are also captured and documented in this presentation.

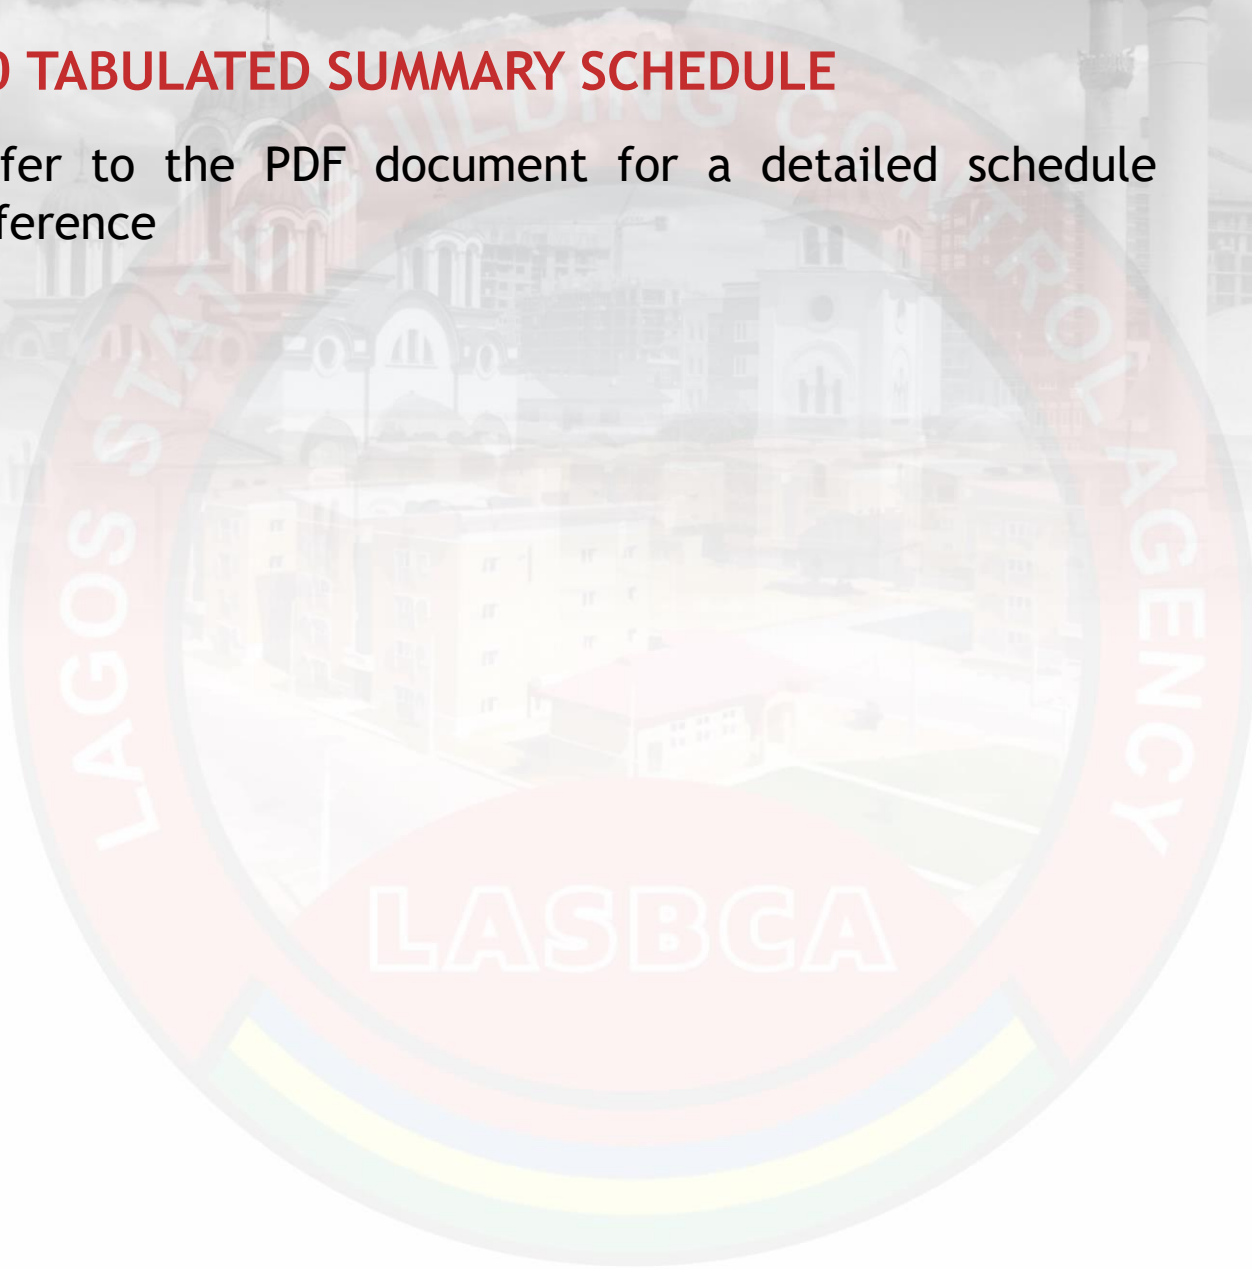

## 5.0 SUMMARY OF FINDINGS

# RECOMMENDATION/CONCLUSION

- a) This report gives an overview of the summary of the various Churches and Mosques in our geographical location (Kosofe)
- b) The exercise also creates an avenue for the need to sensitize the Clergies/Residents/Owners/Stakeholders the need to obtain needed Permits and Building Approvals from the Agency's
- c) There is a need to formulate Advocacies and new Policies for the regulation of these institutions in order to promote an orderly zoning for the development of Churches and Mosques This will aid to forestall congestion of various institutions, creating a conducive atmosphere for any form of activities and also preventing traffic congestion.
- d) The need for collaborating with the requisite Agency's and Ministry Of Physical Planning And Urban Development

**THANK YOU**
