

INTRODUCTION

Mushin is Located 10km North of the Lagos City Core, adjacent to the Main road to Ikeja. Mushin Connotes its name from the “Ishin Tree” a contractor of two Yoruba words depicting the Juicy Fruit. As you may want to know “MU” in Yoruba language means “PICK”. Its now translate to Mu/Pick-ishin/Fruit.

Mushin is a Local Government Area in Lagos largely a congested residential area with inadequate sanitation and low-quality housing. It had 633,009 inhabitants at the 2006 Census. It is also where a lot of a list talents have risen from, artist such as Wande Coal, Durela and Major chuck of the Fuji Musicians.

Since the rise of industrialization in Nigeria, Mushin has become one of the Largest beneficiaries of the industrial expansion. Their Local Commercial enterprises includes:

Spinning and weaving of cotton, shoe manufacturing, bicycle and motorized-cycle assembly, Has largest international Vehicle spare parts market in West Africa, Largest international Plank and Building materials market in Nigeria, amongst others.

The town is home to hospitals as well as educational facilities reaching the Secondary School Level. Mushin lies at the intersection of roads from Lagos, Shomolu and Ikeja. Most of its inhabitants are from the Yoruba tribe and as a result, Yoruba is the most common Language spoken.
