INTRODUCTION

The identification of **“Places of Worship”** in Oshodi district was carried out between 1st and 22nd September, 2022 under the directive of the General Manager, LASBCA, Arc. Gbolahan O. Oki.

The aim of the exercise is to :

“Identify the buildings accommodating places of worship, with the intent of capturing the physical and functional characteristics of the facilities, thereby creating a data repository within the Agency for the identification of non-compliant and distressed structures”.

SCOPE OF THE DOCUMENTATION

The identification exercise is limited to **Churches** and **Mosques**.

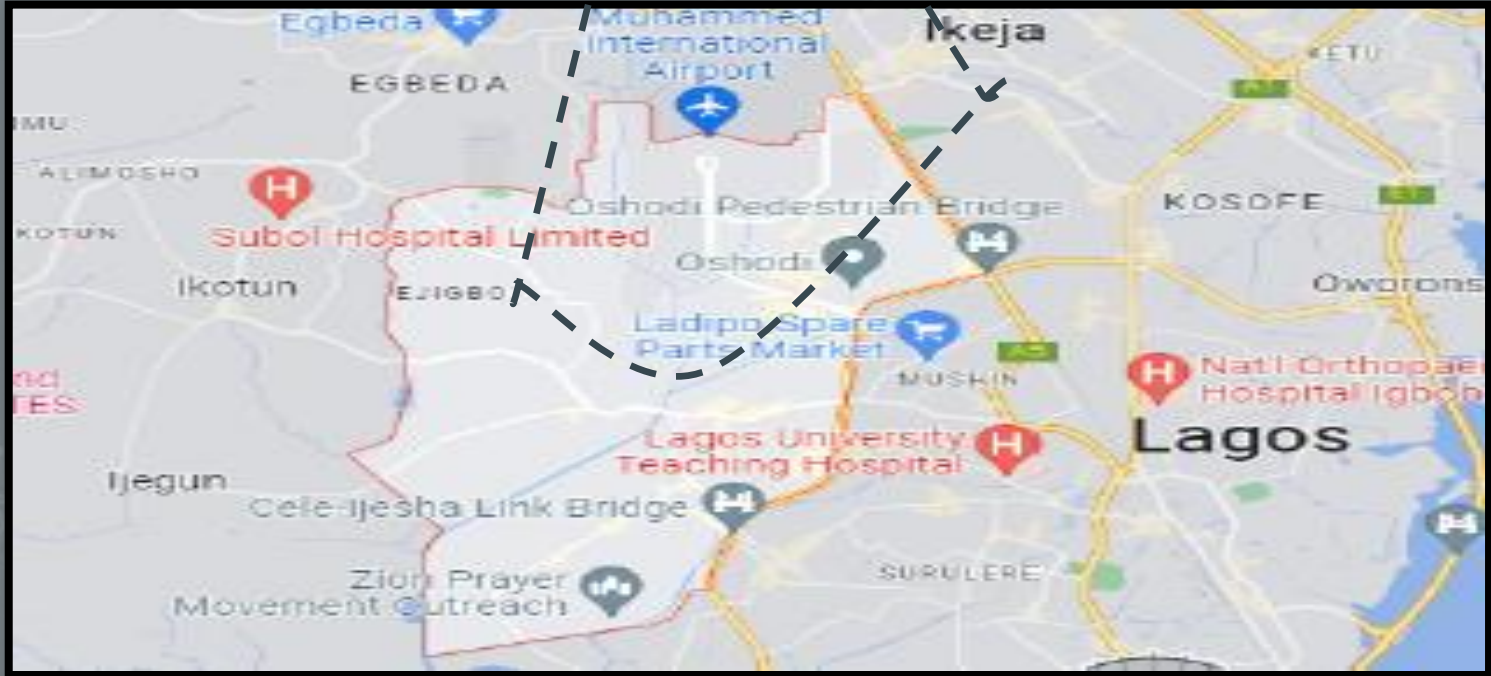

Oshodi district, in IKEJA DIVISION is located within Oshodi-Isole Local Government Area. It shares boundaries with Isolo via Ajao Estate, Ikeja via Local Airport road, Ejigbo via Canoe road, Oke-Afa and Mushin via Mile 2/Apapa Expressway.

The coverage areas in this exercise includes;–Airport Road, Ajao Estate, Mafoluku, Oshodi road, Agege-Motor road, Shogunle and Ladipo.

“FOR THE SAKE OF THIS REPORT, PHOTOGRAPHS AND VIDEOS OF THE IDENTIFIED STRUCTURES WERE CAPTURED.”

AIRPORT ROAD

This area by its name implies that it is the road leading to the Muritala Mohammed Local & International airports in Lagos.

The area is mostly commercial with a good road network and is under the jurisdiction of the Federal Government.

It however links residential areas such as Ajao estate, Mafoluku etc.

AJAO ESTATE

This estate started out majorly as a residential estate but gradually began accommodating commercial activates, mostly hotels which were in high demand due its proximity to the airport.

Majority of the residential estates are gated due to the need to enhance security .

The need for a common place of worship for residents gave rise to the establishment of churches and mosques in the area.

OSHODI ROAD

Oshodi road is undoubtedly one of the busiest streets in Oshodi, hence its name.

Being a predominantly commercial area, with a trade history dating back to the 18th Century, establishments in the form of churches and mosques by missionaries is still very visible today.

Many of the structures are still standing and have evolved by design into modern places of worship.
