FOREWORD

- Fundamentally, the statutory duty of Lagos State Building Control Agency (LASBCA) is to ensure that every building in the state is safe and functional at any time and any stage, be it existing, undergoing renovation/construction or completed building.
- To this end, the need to keep record of properties such as land and buildings within the state in order to be able to track development cannot be over emphasized.
- Consequently, the compilation of certain categories of properties within Egbe-Idimu district was carried out in line with the directive of the General Manager, Lagos State Building Control Agency (LASBCA), **Arc. Gbolohan Owodunni Oki.**

OUTLOOK

- In October, 2022, the inventory of vacant plots, abandoned buildings as well as buildings undergoing renovation, remodeling or construction within Egbe-Idimu district was taken and documented in this piece.
- Precisely, LASU-Isheri road, Governor's road, Isheri-Idimu-Ikotun road, Ikotun-Isolo road, Liasu road, Oladun road, Idimu-Ejigbo road and Bolorunpelu Agodo area were covered within the time frame.

ANALYSIS OF OUTCOME FOR EGBE-IDIMU

CONCLUSION

- It is important to note that Egbe-Idimu District is a highly built up environment in Alimosho L.G.A. Therefore, it can be deduced that demolition for redevelopment, renovation and remodeling of existing buildings are usually envisaged compare to new towns development. Although, the percentage of ongoing construction was found higher than other parameters, however those ongoing building projects were spatially found within developed communities.
