ABOUT LASBCA

- ◉ Lagos State Building Control Agency (LASBCA) came into being through the Lagos State Urban and Regional Planning and Development Law of 2010, but it officially started in August 12, 2012.
- ◉ LASBCA Is an Agency set up by the Government to ensure that basic minimum standards are maintained in building construction and renovation of existing and new buildings to be safe, healthy, accessible and habitable for present and future generations. The Agency works together with developers/owners to provide a highly quality service and make sure that all building are satisfactorily carried out.
- ◉ LASBCA also works closely with other government agencies to achieve its responsibility of safe, secured and habitable buildings in the State.
- ◉ LASBCA is governed by and operates under the Lagos State Urban and Regional Planning and Development Law 2010, LASBCA regulations and the National Building Codes.

RESPONSIBILITIES OF LASBCA

- ◉ Enforcing Building control in all its ramifications.
- ◉ Granting authorization to commerce construction after obtaining development permit.
- ◉ Conducting stage Inspection and certification at various stages of building construction.
- ◉ Verification of your General Contractor All Risk and Building Insurance Policy.
- ◉ Issuance of certificate of completion of building construction and fitness for habitation.
- ◉ Identification and removal of distressed and non-conforming buildings.
- ◉ Public Health control in Buildings.
